RE: CONSERVATION HEARING
Statewide Order No. 29-D-1
Lake Raccourci Commingling Facility No. 1
Lake Raccourci Field
Lafourche Parish, Louisiana
Our File No. 280109.0330

Dear Sir:

On behalf of Hassie Hunt Exploration Company, application is hereby made for a public hearing to receive evidence concerning the following matters relating to the commingling of production from the lease and unit in the Lake Raccourci Field, Lafourche Parish, Louisiana, as set forth on Exhibit A attached hereto:

1. To authorize the commingling in the applicant's Lake Raccourci Commingling Facility No. 1 (92620) of gas and liquid hydrocarbons produced from the lease and unit shown on Exhibit A attached hereto in the Lake Raccourci Field, Lafourche Parish, Louisiana;
2. To approve the commingling of production from such lease and unit in the Lake Raccourci Field, and the allocation of production based upon monthly well tests in the manner proposed herein, in accordance with the provisions of Statewide Order 29-D-1;
3. To consider such other matters as may be pertinent.

Attached hereto and made a part of this application are the following:

1. A diagrammatic sketch of the mechanical installation to be used, showing the flow of gas and liquid hydrocarbons, and the equipment to be used for full stream test of each well to be commingled.
2. Detailed explanation of the flow of gas and liquid hydrocarbons, the procedure and frequency of well tests and for calibration of any metering devices and allocation formulas to be utilized.

Such method of commingling and allocation of production are identical to that approved by Office of Conservation Order No. 175-3, effective May 29, 2002 (Docket No. 02-318).

In the opinion of the applicant, the commingling of gas and/or liquid hydrocarbons and the use of well tests for allocations of production in the manner proposed will provide reasonably accurate measurement, will not create inequities, and will afford the owner of any interest the opportunity to recover his just and equitable share of production.

A list of the names and addresses of all Interested Owners, Represented Parties and Interested Parties (as defined in the Rules of Procedure) is attached hereto, and a copy of this notice, with the annexed plat, is being sent to each of such persons. A reasonable effort has been made to determine that the enclosed list includes all of the persons to whom this notice must be sent under the Rules of Procedure.

A check in the amount of \$755.00 made payable to the Commissioner of Conservation is enclosed herewith as the statutory fee for holding the requested hearing.

This application is being filed in duplicate, and a copy hereof is being sent to Mr. Richard Hudson, Lafayette District Manager of the Office of Conservation, and to each Interested Owner, Represented Party and Interested Party whose name is shown on the attached list.

Very truly yours,

BLANCHARD, WALKER, O'QUIN & ROBERTS
